Dear Sir,

I Mr / Ms ....., hereby declare and give in writing that I will be using my own fabricator and materials for the Solar Installation Structure. Any loss/damage that occurs to the Solar Panel / the other BoM issued by Kondaas Automation Private Limited due to defect in the structure/fabrication work done, I or my family members will not hold Kondaas Automation Private Limited Responsible for the loss or damage. I will bear the total cost incurred for the loss or damage. Any loss in performance output due to improper structure installation is also not the responsibility of Kondaas.

Thanks,
